

Amendments to the Drawings:

Please cancel all drawings on file.

REMARKS

This is responsive to the Notice to file Corrected Application Papers mailed by the Office on December 3, 2003.

The Office has required replacement drawings in compliance with 37 CFR §1.84 and 37 CFR §1.121, since the drawings as submitted are not acceptable.

The drawings for this patent application are the same as those in U.S. Pat. No. 6,130,602, which has been incorporated by reference (see preliminary amendment filed July 24, 2003). Therefore, this application has been amended in the same manner in which family applications, Serial No. 09/151,359, now U.S. Patent No. 6,600,428, and Serial No. 09/161,512, now U.S. Pat. No. 6,466,634, were amended by Examiner's Amendment and also by Amendment After Allowance Pursuant to 37 C.F.R. §1.312.

Although it is believed that no fees are due, the Commissioner is hereby authorized to charge any fees under 37 C.F.R. 1.16 and 1.17 which may be required by this paper to Deposit Account No. 23-0925.

Respectfully submitted,

Dated: January 28, 2004
